

We are seeking a full-time pastor that will lead us in renewing our congregation, and encouraging the discipleship and growth within our church that will enable us to reach out, and connect with others in our community. Charlotte Fagan is an established congregation of about 80 people, faithfully committed to Christ and to one another, and is eager to worship God and share His love with others.

### *Pastor responsibilities:*

- Provides leadership for and actively participates in worship, education, discipleship and evangelism for the spiritual life and growth of members and our church.
- Collaborates with the church leadership team to seek God's will and vision for the church, and has the ability to communicate and lead the church in the furtherance of the programs and missions that are part of that vision.
- Mentors and provides supervision for our Youth Director, and is encouraging, attentive, and available to the youth in the church.
- Originates and presents services of public worship, administers and leads the pastoral ministry of the church, has overall responsibility for the church staff, and represents the congregation in community life.

### *Qualities*

- Has enthusiasm and a desire to actively work with our congregation to grow our church, and bring people to God.
- Has strong skills in communication and related technology, that will enable connections with both the people of Charlotte Fagan, and the community it seeks to reach.
- Has an ability to adapt and lead through the changing needs of the church and larger community.
- Has ability to coordinate with our music leaders to incorporate music into a meaningful worship experience.

### *Pastor's duties include but are not limited to:*

- Preparing and delivering sermons that are based in scripture, and connected to everyday living
- Officiating at special occasions, confirmations, baptisms, weddings and funerals
- Preparing and administering a weekly holy communion
- Holding prayer services as needed
- Worship, Sunday School and Bible Study Coordination
- Meeting with those seeking personal or spiritual guidance
- Assisting the church with facility utilization and administration duties
- Partnering with local faith organizations and denominations
- Coordinating Nursing Home, Hospital, and Shut-in ministry

### *Qualifications*

- Relevant college degree or equivalent experience
- Formal theological training or equivalent experience
- Previous church leadership experience – other professional leadership experiences will be considered
- Excellent speaking, and other relevant communication skills
- Demonstrated ministerial success and accomplishment growing and nurturing churches
- Clear background check and substance screen
